

Firework

Do you ever feel like a plastic bag, drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin, like a house of cards, one blow from caving in?
Do you ever feel already buried deep?
Six feet under screams, but no-one seems to hear a thing.
Do you know that there's still a chance for you? 'Cause there's a spark in you.
You just gotta ignite the light and let it shine,
Just own the night like the Fourth of July.

Chorus:

'Cause baby, you're a firework, come on, show 'em what you're worth.
Make 'em go, 'Aah, aah, aah,' as you shoot across the sky – y – y.
Baby, you're a firework, come on, let your colours burst.
Make 'em go, 'Aah, aah, aah,' you're gonna leave them all in awe, awe, awe.

You don't have to feel like a wasted space. you're original, cannot be replaced.
If you only knew what the future holds, after a hurricane comes a rainbow.
Maybe a reason why all the doors were closed,
So you could open one that leads you to the perfect road.
Like a lightning bolt, your heart will glow, and when it's time you'll know.
You just gotta ignite the light and let it shine,
Just own the night like the Fourth of July.

Chorus

Boom, boom, boom, even brighter than the moon, moon, moon.
It's always been inside of you, you, you, and now it's time to let it through.

Chorus

Boom, boom, boom,
Even brighter than the moon, moon, moon.
Boom, boom, boom,
Even brighter than the moon, moon, moon.

Sunshine in My Heart

Out on the street there is sunshine,
When two friends meet there is sunshine,
When life is sweet there is sunshine,
Sunshine in my heart. (Repeat)

Sunshine, sunshine, sunshine in my heart.

Sunshine, sunshine, sunshine in my heart.

Doot doo doo doo doot, doot doo doo.

Doot doo doo doo doot doot.

Doot doo doo doo doot, doot doo doo.

Doot doo doo doo doot doot.

Out on the street there is sunshine,
When two friends meet there is sunshine,
When life is sweet there is sunshine,
Sunshine in my heart.

Sunshine, sunshine, sunshine in my heart.

Sunshine, sunshine, sunshine in my heart.

Out on the street there is sunshine,
When two friends meet there is sunshine,
When life is sweet there is sunshine,
Sunshine in my heart.

Sunshine in my heart.

Sunshine in my heart.

Supercalifragilisticexpialidocious

Um-diddle-diddle-diddle, um diddle ay!

Um-diddle-diddle-diddle, um diddle ay!

Chorus:

Supercalifragilisticexpialidocious!

Even though the sound of it is something quite atrocious.

If you say it loud enough you'll always sound precocious,

Supercalifragilisticexpialidocious!

Um-diddle-diddle-diddle, um diddle ay!

Um-diddle-diddle-diddle, um diddle ay!

Because I was afraid to speak when I was just a lad,

My father gave me nose a tweak and told me I was bad

But then one day I learned a word that saved me aching nose;

The biggest word you ever heard and this is how it goes...oh...

Chorus

He traveled all around the world and everywhere he went,

He'd use his word and all would say there goes a clever gent!

When Dukes and Maharajas pass the time of day with me,

I say me special word and then they ask me out to tea! Oh...

Chorus

So when the cat has got your tongue there's no need for dismay (oui, oui!)

Just summon up this word and then you've got a lot to say.

But better use it carefully or it can change your life

One night I said it to me girl and now me girl's me wife! She's...

Supercalifragilisticexpialidocious!

Supercalifragilisticexpialidocious!

Supercalifragilisticexpialidocious!

Supercalifragilisticexpialidocious!

Supercalifragilisticex-pi-a-li-do—cious!

Thos Magnificent Men in Their Flying Machines

Those magnificent men in their flying machines,
They go up, tiddlee up, up,
They go down, tiddlee down, down.
They enchant all the ladies and steal all the scenes,
With their up, tiddlee up, up
They go down, tiddlee down, down.

Up! Down! Flying around,
Looping the loop and defying the ground.
They're all frightfully keen,
Those magnificent men in their flying machines.

They can fly upside-down with their feet in the air,
They don't think of danger, they really don't care.
Newton would think he had made a mistake,
To see those strong men and the chances they take.

Those magnificent men in their flying machines,
They go up, tiddlee up, up,
They go down, tiddlee down, down.
They enchant all the ladies and steal all the scenes,
With their up, tiddlee up, up
They go down, tiddlee down, down.

Up! Down! Flying around,
Looping the loop and defying the ground.
They're all rightfully kings,
Those magnificent men, those magnificent men,
Those magnificent men in their fly—ing machines.

This Is Me

I am not a stranger the dark, hide away they say, 'cause we don't want your broken parts.

I've learned to be ashamed of all my scars, run away they say, no one'll love you as you are.

But, I won't let them break me down to dust, I know that there's a place for us,
For we are glorious.

Chorus:

When the sharpest words wanna cut me down,

I'm gonna send a flood, gonna drown 'em out,

I am brave, I am bruised, I am who I'm meant to be, this is me.

Look out, 'cause here I come; and I'm marchin' on to the beat I drum,

I'm not scared, to be seen, I make no apologies,

This is me (oh), oh (oh), oh (oh), oh,

(All:) Oh, oh, oh.

Another round of bullets hit my skin.

Well, fire away, 'cause today I won't let the shame sink in

We are burstin' through the barricades and reaching for the sun.

We are warriors,

And that's what we've become (Yeah, that's what we've become).

I won't let them break me down to dust, I know that there's a place for us,
For we are glorious.

Chorus

This is me (oh), oh (oh), oh (oh), oh,

(All:) Oh, oh, oh.

Final chorus (start pp, with 4 beat rest!)

Solo: To the beat I drum,

Whenever the words wanna cut me down, I'll send a flood to drown 'em out.

Oh, oh, oh, oh, oh, this is me.

Eye of the Tiger

Rising up, back on the street,
Did my time, took my chances.
Went the distance now I'm back on my feet,
Just a man and his will to survive.

So many times it happens too fast,
You trade your passion for glory.,
Don't lose your grip on the dreams of the past
You must fight just to keep them alive.

It's the eye of the tiger, it's the thrill of the fight,
Risin' up to the challenge of our rivals,
And the last known survivor stalks his prey in the night,
And he's watchin' us all with the eye of the tiger.

Risin' up, straight to the top,
Had the guts, got the glory.
Went the distance now I'm not gonna stop,
Just a man and his will to survive.

It's the eye of the tiger, it's the thrill of the fight,
Risin' up to the challenge of our rivals.
And the last known survivor stalks his prey in the night,
And he's watchin' us all with the eye of the tiger.

The eye of the tiger.
The eye of the tiger.

Candle on the Water

I'll be your candle on the water,
My love for you will always burn.
I know you're lost and drifting,
But the clouds are lifting,
Don't give up, you have somewhere to turn.

I'll be your candle on the water,
'Till every wave is warm and bright.
My soul is there beside you,
Let this candle guide you,
Soon you'll see a golden stream of light.

A cold and friendless tide has found you.
Don't let the stormy darkness pull you down.
I'll paint a ray of hope around you,
Circling in the air, lighted by a prayer.

I'll be your candle on the water,
This flame inside of me will grow.
Keep holding on, you'll make it,
Here's my hand, so take it,
Look for me reaching out to show,
As sure as rivers flow;

I'll never let you go,
I'll never let you go,
I'll never let you go.

Hold Back the River

Tried to keep you close to me but life got in between.

Tried to square not being there but it's there that I should have been.

Hold back the river, let me look in your eyes,

Hold back the river so wide,

And stop for a minute and see where you hide,

Hold back the river, hold back.

Once upon a diff'rent life we rode our bikes into the sky.

But now we're caught against the tide those distant days all flashing by.

Chorus:

Hold back the river, let me look in your eyes,

Hold back the river so wide

And stop for a minute and be by your side,

Hold back the river, hold back.

Hold back the river, let me look in your eyes,

Hold back the river so wide

And stop for a minute and see where you hide,

Hold back the river, hold back.

Oh, oh oh, oh oh, oh oh, oh oh, oh oh, woah, woah.

Lonely water, lonely water won't you, let us wander,

Let us hold each other? (x2)

Chorus

Lonely water, lonely water won't you, let us wander,

Let us hold each other? (x2)

Oh, oh oh, oh oh, oh oh, oh oh, oh oh, woah, woah. (x2)

Daydream Believer

Oh, I could hide 'neath the wings of the bluebird as she sings;

The six o'clock alarm would never ring.

But it rings and I rise,

Wipe the sleep out of my eyes,

My shaving razor's cold and it stings. Oo.

Chorus:

Cheer up, Sleepy Jean (Oh cheer up),

Oh, what can it mean,

To a daydream believer,

And a homecoming queen.

You once thought of me as a white knight on a steed.

Now you know how happy I can be.

Oh, and our good time starts and ends,

Without dollar one to spend,

But how much, baby, do we really need? Oo.

Chorus (x2)

I Can See Clearly Now

I can see clearly now, the rain has gone.

I can see all obstacles in my way.

Gone are the dark clouds that had me blind.

It's gonna be a bright, (bright) bright shiny day.

It's gonna be a bright, (bright) bright shiny day.

I think I can make it now, that pain has gone.

All of the bad feelings have disappeared.

Here is that rainbow I've been praying for.

It's gonna be a bright, (bright) bright shiny day.

It's gonna be a bright, (bright) bright shiny day.

Look all around, there's nothing but blue sky. Look straight ahead,
nothing but blue sky.

Ah,

Ah,

Ooh.

Repeat verse 1

It's gonna be a bright, (bright) bright shiny day.

Make Your Own Kind of Music

Nobody can tell ya, there's only one song worth singing.

They may try and sell ya, 'cos it hangs them up to see someone like you.

Chorus:

(But) you've gotta make your own kind of music,

Sing your own special song.

Make your own kind of music,

Even if nobody else sings along.

You're gonna be nowhere,

Ooh.

The loneliest kind of lonely.

It may be rough going:

Ooh.

Just to do your thing's the hardest thing,

The hardest thing to do.

Chorus

So if you cannot take my hand,
hand,

If you cannot take my

And if you must be going,

I will understand.

Chorus x 2

You've gotta sing!

A Million Dreams

I close my eyes and I can see a world that's waiting up for me, that I call my own.
Through the dark, through the door, through where no one's been before,
But it feels like home.

Chorus:

They can say, they can say it all sounds crazy.

They can say, they can say I've lost my mind.

I don't care, I don't care so call me crazy, we can live in a world that we design.

'Cause ev'ry night I lie in bed, the brightest colours fill my head,

A million dreams are keepin' my awake.

I think of what the world could be, a vision of the one I see,

A million dreams is all it's gonna take.

Oh a million dreams for the world we're gonna make.

There's a house we can build, ev'ry room inside is filled, with things from far away.

Special things I compile, each one there to make you smile, on a rainy day.

Chorus

However big, however small, let me be part of it all, share your dreams with me.

You may be right, you may be wrong, but say that you'll bring me along,

To the world you see, to the world I close my eyes to see, I close my eyes to see.

'Cause ev'ry night I lie in bed, the brightest colours fill my head,

A million dreams are keepin' me awake. (A million dreams, a million dreams)

I think of what the world could be, a vision of the one I see,

A million dreams is all it's gonna take.

Oh a million dreams for the world we're gonna make_____.

For the world we're gonna make.

My Favourite Things

Raindrops on roses and whiskers on kittens,
Bright copper kettles and warm woollen mittens,
Brown paper packages tied up with strings,
These are a few of my favourite things.

Cream coloured ponies and crisp apple strudels,
Door bells and sleigh bells and schnitzel with noodles,
Wild geese that fly with the moon on their wings,
These are a few of my favourite things.

Girls in white dresses with blue satin sashes,
Snowflakes that stay on my nose and eyelashes,
Silver white winters that melt into springs,
These are a few of my favourite things.

When the dog bites,
When the bee stings,
When I'm feeling sad;
I simply remember my favourite things,
And then I don't feel so bad.

I simply remember my favourite things,
And then I don't feel so bad__.

Shotgun

Homegrown alligator, see you later, gotta hit the road, gotta hit the road.
Something changed in the atmosphere, architecture unfamiliar,
I can get used to this.

Refrain:

Time flies by in the yellow and green, stick around and you'll see what I mean.
There's a mountain top that I'm dreaming of,
If you need me you know where I'll be...
I'll be riding shotgun underneath the hot sun, feeling like a someone.
I'll be riding shotgun underneath the hot sun, feeling like a someone.

The south of the equator, navigator, gotta hit the road, gotta hit the road.
Deep-sea diving 'round the clock, swimming costumes, T-shirt tops,
I could get used to this.

Refrain

We got two in the front,	Oo,
Two in the back,	Oo,
Sailing along and we don't look back.	Oo.

Refrain

I'll be riding shotgun underneath the hot sun, feeling like a someone.
I'll be riding shotgun underneath the hot sun,
Feeling like a someone, someone, someone, someone.
